

T1V GETTING STARTED WITH VIEWHUB

ViewHub™

Share your screen via the T1V app.

Laptop + Tablet Users

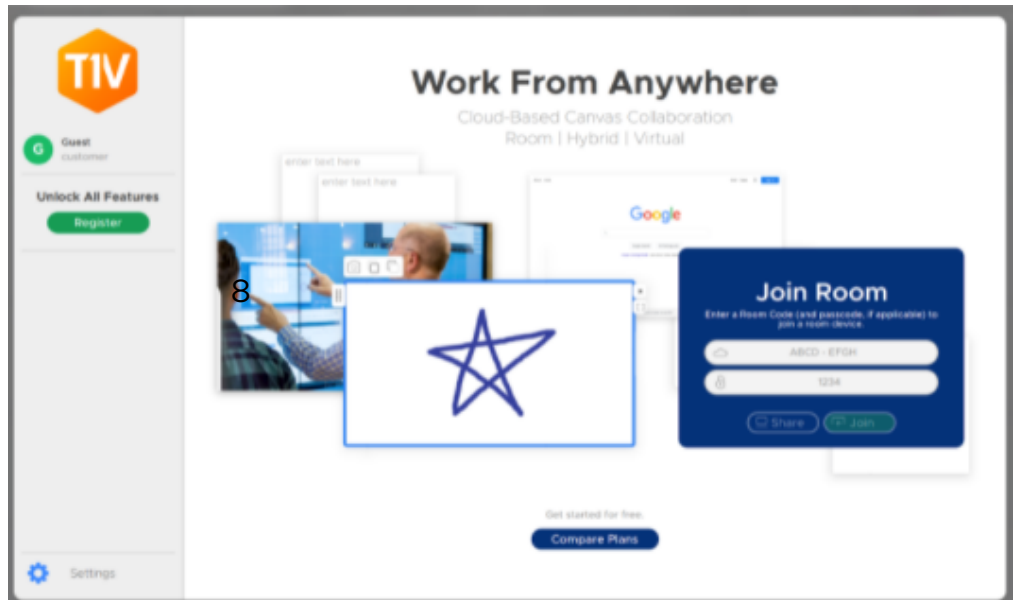

Download the T1V app at t1v.com/app

Mobile Users

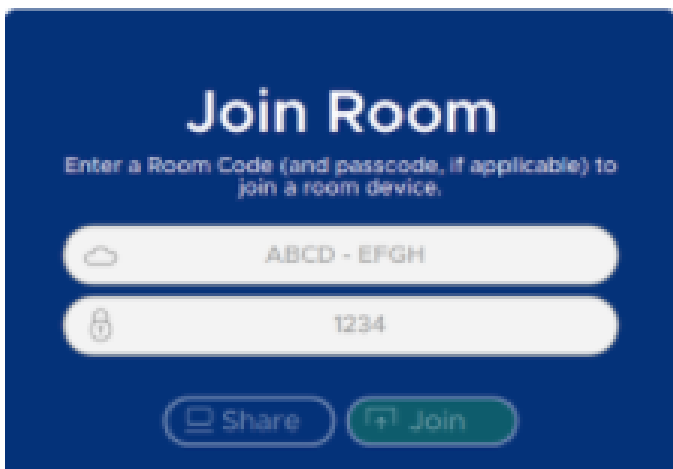

Download the T1V app on the App Store (iOS) or Google Play Store (Android)

CONNECTING YOUR DEVICE

When T1V is launched, you'll see the following Welcome screen:

> To connect to your ViewHub, enter your Room Code and Pin in the 'Join Room' box.

> This information is displayed in the upper right corner of the ViewHub. If you are not in the same room as the ViewHub, ask your meeting host for connection info.

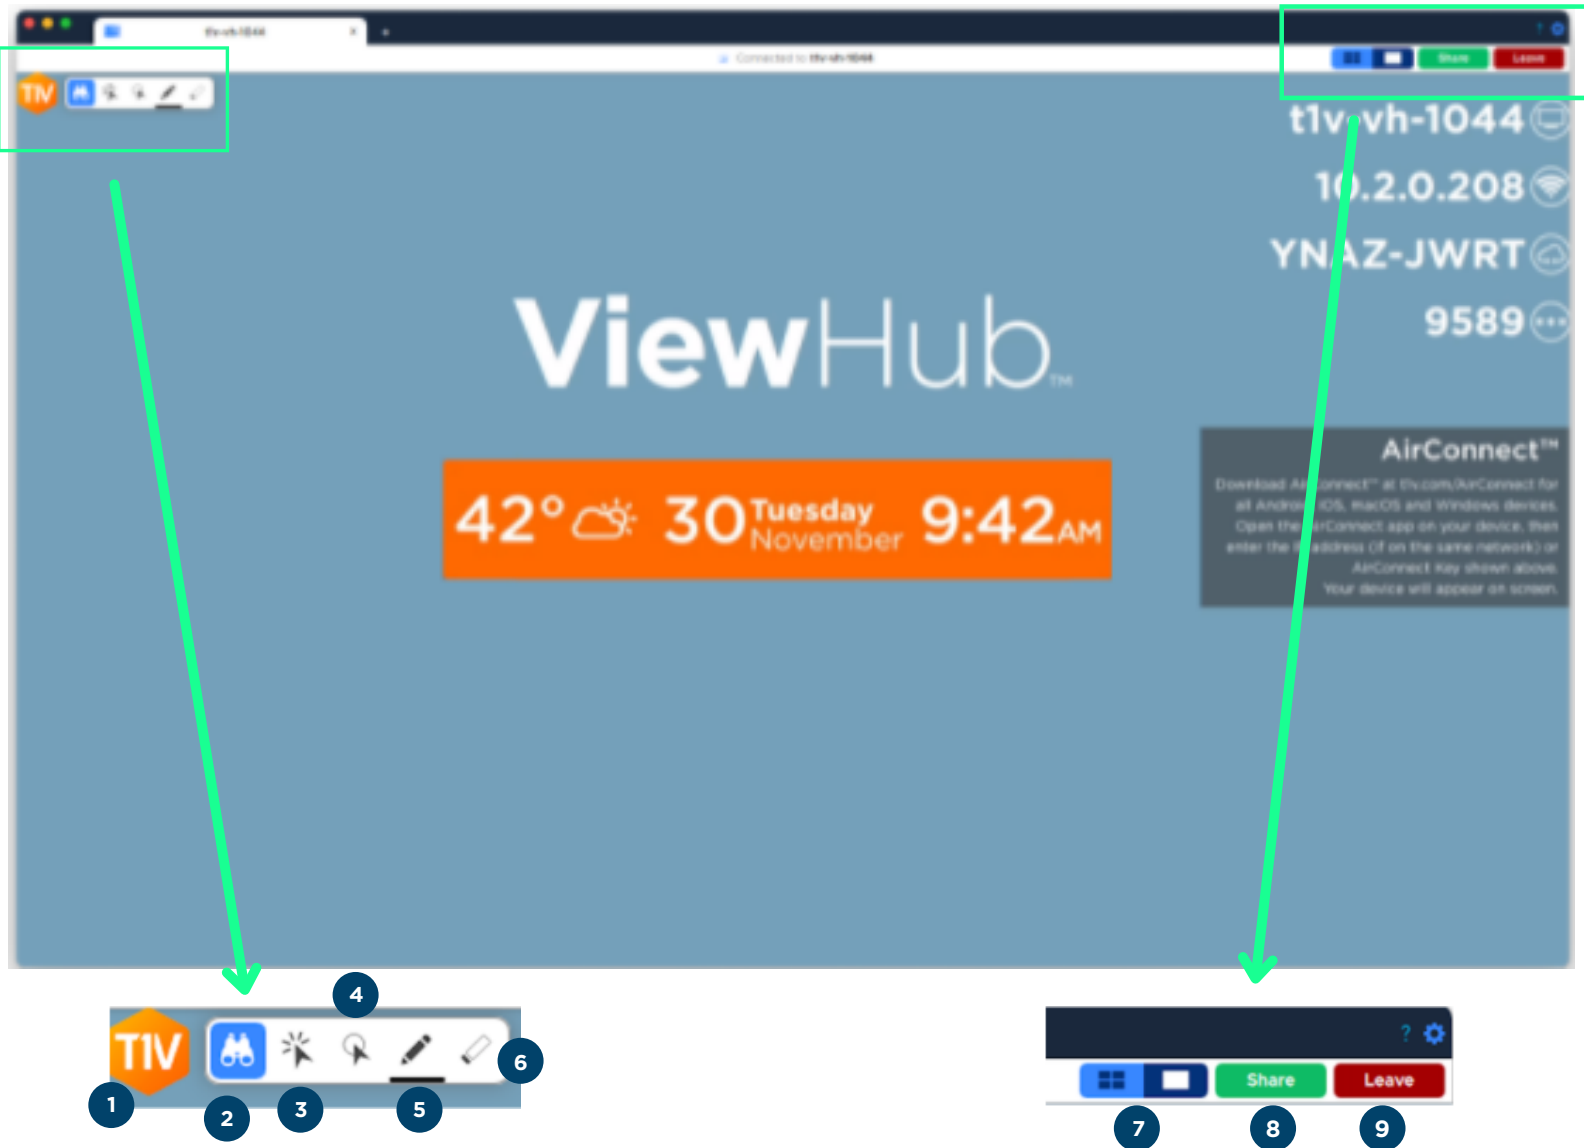

Connect using the 8-letter Room Code

If your Canvas is passcode protected, enter the 4 digit PIN when prompted

T1V ACCESS

Once connected to ViewHub via T1V app, you have the ability to share your screen to ViewHub. Your controls are located in the upper left and right corner.

- 1 T1V**
takes you back to your dashboard
- 2 BINOCULARS**
enables you to View content your colleagues are sharing
- 3 POINT**
enables a digital pointer
- 4 CONTROL**
enables you to control the content shown on the ViewHub
- 5 ANNOTATE**
allows you to annotate on your view of the ViewHub
- 6 ERASE**
allows you to erase annotations

- 7 SCREEN ARRANGEMENT**
allows you to choose to focus on a single screen or show up to 4 connected screens
- 8 SHARE**
allows you to share your screen
- 9 LEAVE**
removes you from the ViewHub session
