

PRODUCT SPECIFICATION SHEET

ThinkHub MultiSite Server

For use with ThinkHub MultiSite - Enterprise Edition

ThinkHub MultiSite provides real-time, room-to-room collaboration for up to 10 locations at a time. The ThinkHub MultiSite Server is required for MultiSite Enterprise solutions, where MultiSite sessions live on the corporate network. One MultiSite Server is required per client network for all ThinkHub devices that will be connected via a shared MultiSite session. Several MultiSite sessions can occur at the same time within the client network.
